Friends of Israel Disabled Veterans (**FIDV**), founded in 1987, assists over 51,000 Israeli men and women who have given the ultimate for their country. At the recreation, sports, and rehabilitation centers in Tel Aviv, Jerusalem, and Haifa, and the convalescent center in Nahariyah, they find for themselves and their families the emotional support and physical rehabilitation they need to help them regain their self-confidence, their dignity, and control of their lives.

Donors to FIDV support these efforts.
